

Requirements for the text format of the conference materials

The text of conference materials should be on 2-3 full A4 pages, written in one of the working languages of the conference on a computer in the text editor WORD for WINDOWS. Times New Roman Cyr font size – 12, spacing - single, paragraph - 1.0 cm. Dimensions of the margins: 2.0 cm on all sides, without page numbering. Formulas are typed in the Microsoft Equation formula editor. The letter symbols included in the formulas must be deciphered, indicating the units of measurement. The numbering of formulas is continuous (the number is indicated in parentheses near the right border of the text). References should be given in square brackets in the text. Abbreviations and symbols must comply with current international standards.

Requirements for abstracts of materials

- UDC (bold, top left);
- across the line: title of the abstract (in **CAPITAL LETTERS**, in bold type, aligned to centre);
- across the line– the authors first and last names, scientific degree, academic status, author's affiliation (in lower case, *in italics*, aligned to the centre);
- across the line– the text of the abstract (formulas and tables should be submitted in the text and are separated from it by one-line interval);
- across the line a list of references is submitted. The word **REFERENCES** should be capitalized in bold type, centered.

The text of the abstract is not reviewed and it is an original for publishing the conference collection of the submitted abstracts.

Please, pay attention to the requirements for scientific publications and warn against plagiarism and abstract compilation of materials.

Abstracts that do not meet content or format requirements and are submitted after the deadline will not be considered and will not be returned to the author.

Each conference participant fills in the application form separately:

Application form
for participating in the All-Ukrainian Scientific and Practical Conference with International Participation “Actual problems of fire safety and emergency prevention in today's conditions”
(Lviv, October 12-13, 2022):

Last name _____
First name _____
