

Dear colleagues!
Department of Environmental Safety
Educational and Scientific Institute of Civil Defence
Lviv State University of Life Safety
INVITE

you to take part in the Round Table meeting "Restoration of Ukraine's environment as a result of russia's armed aggression", which will take place **on March 17, 2023, at 10:00 a.m. in the rooms of the Cultural and Educational Centre of the Lviv State University of Life Safety (LSU LS) at the address: Lviv, str. Kleparivska, 35.**

The purpose of the Round Table meeting is to involve scientists and practitioners in the discussion of the problems of the negative impact that the environment suffered as a result of russia's armed aggression, and its restoration taking into account the best world practices, as well as popularising the environmental profession, whose representatives will solve these problems after the victory.

Information about the Round Table is available on the Internet on the website of the event at the following link: <https://indico.ldubgd.edu.ua/event/39/>

Main areas of the Round Table:

1. Ecosystems that have been negatively affected by military actions and their state assessment.
2. Negative impact on soils as a result of military actions and their reclamation.
3. Consequences of fires and other damage to forest plantations caused by war and the main aspects of reforestation.
4. Pollution of underground and surface water, negative impact on reservoirs as a result of military operations.
5. Problems of overcoming the negative impact of military actions on the natural environment.
6. Problems and prospects of forming the strategy for ecological security of Ukraine.
7. Legal responsibility for environmental offences during hostilities.
8. Humanitarian aspects and international participation in the reconstruction of Ukraine.

Working languages of the meeting: Ukrainian, English.

Participation in the work of the Round Table is **free**, and the format of the meeting is **face-to-face/remote**.

Representatives of authorities, institutions, organisations, scientists, teachers and practitioners, and persons studying, who have deal with environmental problems and who care about the state of the environment in Ukraine are invited to participate.

Based on the results of the Round Table meeting, a collection of materials will be published.

The round table includes the following **forms of participation**:

- participation with a report (up to 10 minutes) and publication in the collection of materials,

- participation with a report (up to 10 minutes) without publication in the collection of materials,
- remote participation with publication in the collection of materials,
- participation as a listener.

Participants of the Round Table also have the opportunity to prepare a scientific article on the topic of the report and publish it in the collection of scientific works "Bulletin of the Lviv State University of Life Safety" (category "B"), subject to compliance with the publication's editorial requirements (<https://journal.ldubgd.edu.ua/index.php/Visnuk>).

Composition of the organising committee of the Round Table:

Head of the organising committee:

- Vasyl POPOVYCH, Doctor of Technical Sciences, Professor, Active Vice-Rector of Scientific Research, LSULS

Deputy Head of the organising committee:

- Andrii KUZYN, Doctor of Agricultural Sciences, Professor, LSULS

Members of the organising committee:

- Yaroslav HENYK, Doctor of Agricultural Sciences, Professor, Head of Department of Landscape Architecture, Garden and Park Management and Urban Ecology, UNFU
- Volodymyr KYCHERYAVYI, Doctor of Agricultural Sciences, Professor, Professor of Department of Landscape Architecture, Garden and Park Management and Urban Ecology, UNFU
- Roman PARANJAK, Doctor of Agricultural Sciences, Professor, Head of Department of Ecology, SGNUVMB
- Jerzy TELAK, Doctor of Sciences, Professor, Vice-rector for scientific development, HSES
- Oksana TELAK, Doctor of Sciences, Professor, Head of the Organization of Safety division, MSFS
- Ausra MAZEIKIENE, Doctor of Technical Sciences, Associate Professor, Professor of the Department of Environmental Protection and Water Engineering, VGTU, Republic of Lithuania
- Pavlo BOSAK, PhD, senior lecturer of the Department of Environmental Safety, LSULS
- Nataliya GOTSIY, PhD, lecturer of the Department of Environmental Safety, LSULS
- Nataliia GRYNCYHSHYN, PhD, Associate Professor, Associate Professor of the Department of Environmental Safety, LSULS
- Serhiy YEMELIANENKO, PhD, Department for research and development, LSULS
- Olga MENSHIKOVA, PhD, Associate Professor, Deputy Head of the Educational and Scientific Institute of Civil Defence, LSULS
- Kateryna KOROL, lecturer of the Department of Environmental Safety, LSULS
- Iryna KOCHMAR, lecturer of the Department of Environmental Safety, LSULS

Secretariat of the organising committee

- Taras SHUPLAT, PhD, lecturer of the Department of Environmental Safety, LSULS
- Roman KONANETS, adjunct of the Department of Environmental Safety, LSULS
- Iryna FEDIV, adjunct of the Department of Environmental Safety, LSULS

Required information:

To participate in the Round Table meeting, it is necessary to register on the website of the event **no later than March 10, 2023**, having previously created an account on the site of scientific events of LSULS <https://indico.ldubgd.edu.ua/event/39/registrations/19/>. After receiving confirmation of registration, participants who plan to publish materials in the Round Table collection must upload the report materials in electronic form, designed following the requirements, to the event website **by March 16, 2023**.

Participants can also register by e-mail by sending the application and presentation materials to keb@ldubgd.edu.ua in compliance with the relevant deadlines.

Participants who have registered for remote participation will be sent a link to connect to the Round Table meeting.

Contact persons:

Taras SHUPLAT, tel. (096) 469 01 26,

Roman KONANETS, tel. (067) 352 09 62,

Iryna FEDIV, tel. (097) 344 51 87.

The Round Table participant must take into account:

- All expenses for travel, accommodation and meals are paid at his own expense or at the expense of the organisation that sent him.
- The report should correspond to the topic of the Round Table, contain the results of scientific research and be designed following the specified requirements.
- During the preparation of report materials and participation in the work of the Round Table, it is necessary to comply with the requirements of academic integrity and ethics.
- The organising committee reserves the right to review materials of reports sent for publication in the collection.
- The organising committee will deny participation to persons who support the aggressor country and the war in Ukraine, and allow violations of academic integrity and ethics.

Requirements for the design of materials for publication in the collection:

The amount of text of the report materials should be 2-3 full pages in A4 format, typed in one of the working languages of the Round Table on a computer in the WORD

text editor for WINDOWS. Typeface – Times New Roman, point – 12, spacing – single, paragraph – 1.0 cm. Margins: 2.0 cm on all sides, without page numbering. Formulas are typed in the Microsoft Equation formula editor. The letter designations included in the formulas must be decoded with an indication of the units of measurement. The numbering of the formulas is sequentially (the number is indicated in round brackets near the right border of the text). References to literary sources should be indicated in the text in square brackets. Abbreviations and conventional designations must comply with current international standards.

Procedure for processing materials:

- **UDC** (bold font, top left);
- across the line – **NAME OF THE REPORT** (in capital letters, bold, in the centre);
- across the line - authors' initials and last name, scientific degree, academic title, place of work (italics, centred);
- through a line - the text of the materials (formulas and tables are placed in the text and separated from the text by an interval of 1 line);
- across the line - a list of the references (the word **REFERENCES** is written in the centre, in capital letters, in bold, drawn up according to the standards of bibliographic description given in DSTU 8302:2015).

Application form (to be filled out by each participant):

Application
to participate in the Round Table
«Restoration of Ukraine's environment
as a result of russia's armed aggression»
(Lviv, March 17, 2023)

Last name _____
First name _____
Middle name _____
Science Degree _____ Academic status _____
Affiliation _____

Position _____
Contact number _____
E-mail _____
Number of the Round Table area _____

I plan (need to match):

- Speak with report and publication in the collection of materials
- Speak with report without publication in the collection of materials
- remote participation with publication in the collection of materials
- participation as a listener

Participation form (need to match):

- full-time
- remote

· only for publication

Topic of the report

· I have familiarised myself with the conditions of participation in the Round Table, I agree and provide my personal data for registration.
