

Dear scientific supervisors, we recommend that you check the abstracts for compliance with the requirements for scientific publications, as well as pay attention to the authenticity of the participants' research ideas. We warn against plagiarism and abstract compilation of Internet materials.

The conference materials will be published without additional editing, so the organising committee is not responsible for violations of grammatical norms in printed copyright materials.

Co-authorship of young scientists in more than two abstracts is not allowed.

# DEAR COLLEAGUES!

We are pleased to invite young scientists, cadets and students to participate in the XIX International Scientific and Practical Conference "PROBLEMS AND PROSPECTS OF THE DEVELOPMENT OF THE LIFE SAFETY SYSTEM", which will be held on 28-29 March 2024 at Lviv State University of Life Safety.

The conference will include a plenary session and thematic sections.

Conference languages: Ukrainian, English, Polish.

To participate in the conference, please upload an electronic version of the abstracts to the conference website by 1 March 2024 at the following link:

<https://indico.ldubgd.edu.ua/event/43/>

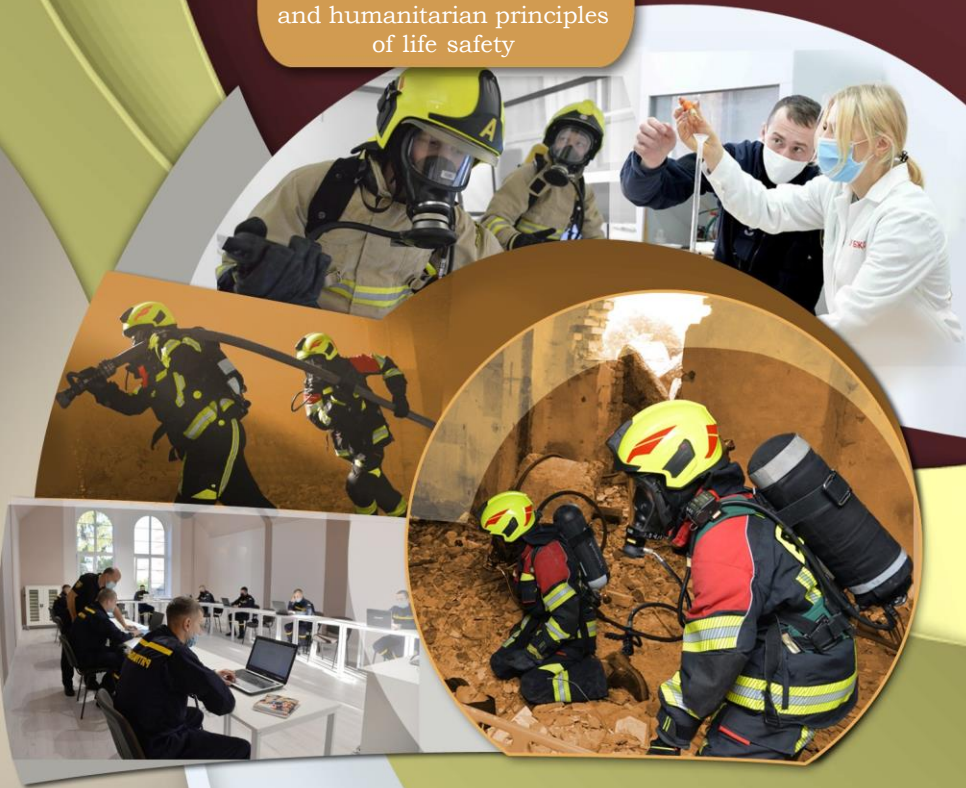

To download the abstracts, please pre-register at the following link:

<https://indico.ldubgd.edu.ua/event/43/registrations/23/>

On 29 March 2024, the conference will include a training on life safety under martial law.

Topics of the training: basics of civil protection; actions during shelling and detection of ammunition and explosive devices; functioning of shelters; peculiarities of fire and rescue equipment; medicine under martial law; crisis psychology; practical training of a rescuer's psychological training complex.
