PROBLEMS AND PROSPECTS OF LIFE SAFETY

**XVII International
Scientific and Practical Conference
of Young Scholars, Cadets and Students**

30-31 MARCH 2022

LVIV

Dear Colleagues!

We invite young scientists, cadets and students of higher education institutions to participate in the **XVII International Scientific and Practical Conference "Problems and Prospects of Life Safety"**.

During the conference, a plenary session will be held and thematic sections will be organized.

Conference languages: **Ukrainian, English, Polish.**

To participate in the conference, you need to upload the electronic version of the report on the Conference website at the link: <https://indico.ldubgd.edu.ua/event/7/> by **March 1, 2022**. To upload the materials you need to pre-register. Abstracts need to upload in doc, docx format. Notice of acceptance of report will be sent to the authors by e-mail.

Reports submitted within the specified period and prepared in accordance with the requirements will be published in the proceedings of the conference and will be posted on the conference website.

The Organizing Committee reserves the right to decide to reject the publication of reports.

The participation of one author in more than two theses is not allowed.

We asked supervisors to check the abstracts of the reports for compliance with the requirements for scientific publications, as well as to pay attention to the independence of scientific thinking of the participants.

We warn against plagiarism and abstract compilation of Internet materials.

The materials of the conference will be published without additional editing, so the organizing committee is not responsible for violations of spelling rules in printed copyrighted materials.

Register for the conference and submit abstracts at:
