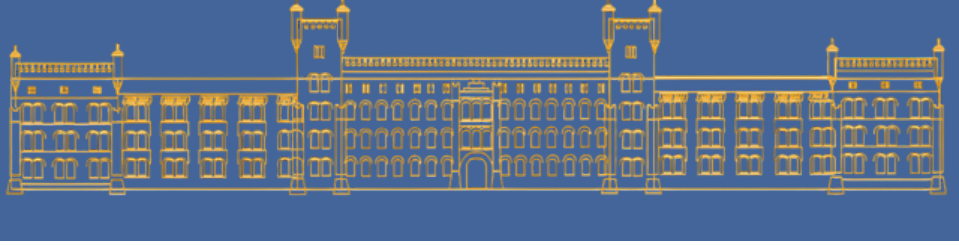
DEAR COLLEAGUES!

We invite you to participate in the Second International scientific and practical conference CIVIL PROTECTION IN TIMES OF WAR. To participate in the conference, you must submit an application for participation in the conference and attach the abstracts of your reports at the following link: **https://forms.gle/GFuz1jXW6D9MHtw78**

Participation in the conference is free of charge

Important dates: **13 April 2026** – registration for the conference and submission of materials

Conference materials will be posted on the website of Lviv State University of Life Safety



REQUIREMENTS FOR CONFERENCE MATERIALS

1. Abstracts must be submitted in electronic form. Length: up to 2 A4 pages, typed in one of the working languages of the conference using WORD for WINDOWS. Font: Times New Roman, size 12, spacing: 1, paragraph: 1.0 cm. Margins: 2.0 cm on all sides, no page numbering.

Formulas are typed in Microsoft Equation Editor. Letter symbols included in formulas must be deciphered with units of measurement. Formula numbering is continuous (the number is indicated in brackets at the right edge of the text). References to literary sources are indicated in the text in square brackets. Abbreviations and symbols must comply with current national and international standards. Graphic material must be in editable form.

Conference materials will be published without additional editing, therefore the organizing committee is not responsible for spelling errors in printed author materials. Authors are responsible for the content of their publications. Materials that do not meet the specified requirements and are sent after the deadline will not be considered and will not be returned to the authors.

2. Procedure for posting material:

- UDC: bold font, top left (for participants from Ukraine);
- on the next line - TITLE OF THE PAPER (capital letters, bold font, centred);
- on the next line - name and surname(s) of the author(s), academic degree, academic title, place of work (italics, centred);
- on the next line - text of the report with single spacing (formulas and tables are placed in the text and separated from the text by a 1-line space);
- on the next line - list of references (the word 'References' is written in the centre, in capital letters, bold, in alphabetical order in accordance with the bibliographic description standards set out in Ukrainian National Standard 8302:2015 or APA).

3. One participant may submit a maximum of three abstracts (individually or in co-authorship). The file name must contain the name of the first author, for example: Abstract_TARNAVSKYI_1. doc
