BCET 2026

DEAR COLLEAGUES!

We invite you to join the 2nd International Scientific and Practical Conference “Biological, Chemical and Environmental Threats in Wartime”, which will take place on May 27, 2026 at the Lviv State University of Life Safety, State Non-Profit Company "Danylo Halytsky Lviv National Medical University", and in partnership with the Lviv Regional Center for Disease Control and Prevention of the Ministry of Health of Ukraine, the Ukrainian Red Cross Society, and the Kyiv University of Law of the National Academy of Sciences of Ukraine.

Detailed information about the conference:
<https://indico.ldubgd.edu.ua/event/79/>

Within the conference, two round tables are planned: “Specifics of Conducting Research in Wartime Conditions” “Academic integrity: Challenges and Practices in Modern Education”

The conference aims to bring together leading national and international experts to discuss and address critical issues related to biological, chemical, and environmental consequences of war, as well as to propose solutions and preventive measures.

Participation formats: plenary presentations and panel discussions. Working languages: Ukrainian, English.

To participate in the conference, please register by **May 22, 2026** at:

<https://forms.gle/zUzQ9KpERfWjz9VR7>

Venue: Lviv State University of Life Safety
35 Kleparivska St., Lviv, Ukraine
